PRELIMINARY REMARKS

This is the *twenty-fifth* report in the bankruptcy of Royal Imtech N.V. (hereinafter: **“Royal Imtech”**).

This report is based on information the Bankruptcy trustees have received from the company and third parties. The Bankruptcy trustees stress that the information in this report is the subject of further investigation. At a later stage it may turn out that this information must be adjusted. Therefore, no statements can yet be made about the completeness and accuracy of the details included in this report.

In line with the ruling of the Supreme Court dated 21 January 2005 (JOR 2005/104), it is pointed out that this report does not intend to account for the status of the liquidation assets or to provide complete insight. Individual creditors cannot derive any rights from this report.

This report and the subsequent reports will be published in Dutch and – albeit with some delay – in English. The Dutch version prevails.

The bankruptcy reports can be found on www.rechtspraak.nl.

The Bankruptcy trustees furthermore had a separate website developed for the bankruptcies of the Imtech companies; www.faillissementimtech.nl. On this website the Bankruptcy trustees will publish all reports in the Dutch and English language as well as further notices in the bankruptcies of the Imtech companies.

Twenty-fifth report

This paragraph provides a summary of the developments in the reporting period from 1 January 2022 up to and including 31 March 2022.

In advance: Appeal for a new member of the creditors' committee.

Members of the creditors' committee are appointed by the court.

In connection with the leaving of 1 of the members appointed by the court, the creditors are hereby invited expressly to put themselves forward as new member of the creditors' committee.

The insolvency registry of the Rotterdam District Court may be contacted at insolventies1@rechtspraak.nl for further information concerning the task and committee.

INTRODUCTION

The Bankruptcy trustees have the statutory task of investigating the causes of the bankruptcy as well as legal acts possibly fraudulent towards creditors and of assessing whether errors were made in this for which directors and supervisory directors, financiers or other third parties are liable towards the creditors who were left unpaid. The Bankruptcy trustees have concluded that they may have claims against directors and supervisory directors, financiers, KPMG accountants and the DBBW law firm. The Bankruptcy trustees are attempting to enforce their claims via settlements or via legal proceedings if necessary. Naturally, the courts decide on the allowability of these claims. The conduct of the Bankruptcy trustees is supervised by Delegated Judges. The Bankruptcy trustees must also ask the opinion of the creditors' committee before conducting legal proceedings or settling a matter.

The remuneration of the Bankruptcy trustees is determined by the court following advice in this connection provided by the Delegated Judges.

The Bankruptcy trustees are required to request leave from the Delegated Judges in advance for the purpose of engaging experts or lawyers.

The work of the bankruptcy trustees of Royal Imtech during this reporting period can be briefly divided into four main activities:

1. Continuation of the investigation into the causes;
2. Investigation into the provision of security and payments that might be fraudulent towards creditors;

3. Appeal disciplinary complaint against KPMG before the CBB concerning the 2011 audit, the audit conducted on 30 June 2012 and the 2012 audit;
4. Civil proceedings against De Brauw Blackstone Westbroek N.V. (hereinafter also: DBBW);

Re 1. Continuation of the investigation into the causes

The Bankruptcy trustees continued the investigation into the causes and the regularity audits, including the investigation into directors' and officers' liability investigation and the investigation into the provision of security as referred to in paragraph 5.3. Work was carried out on a summons against the directors and supervisory directors who were active until the spring of 2013. External parties are also involved in this process. *The investigation with respect to the summons with respect to acts fraudulent towards creditors will first be completed before - with the aid of these findings - the investigation against the final RvB and RvC is completed.*

Re 2. Investigation into the provision of security that might be fraudulent towards creditors and payments

The investigation into the provision of security that might be fraudulent towards creditors and repayments to financiers of Royal Imtech continues. The Bankruptcy trustees engaged external experts in the investigation of information that was provided to financiers and into the matters that were or should have been known to the financiers at relevant decision-making and other moments.

The Financiers rejected the present settlement proposal in January 2022. A counterproposal from the Financiers was rejected by the Bankruptcy trustees. The parties decided to resume the settlement consultations.

Re 3. Appeal to the CBB concerning the disciplinary complaint against KPMG for 2011 and 2012.

The KPMG auditors lodged an appeal against the decision of the Accountancy Division regarding the 2011 audit. The Bankruptcy trustees did so as well. The hearing before the CBB against the auditors was held on 30 November 2021. The

hearing before the CBB against the OKB auditor was held on 2 December 2021. A decision in both cases has been scheduled for 8 August 2022.

The Bankruptcy trustees and the KPMG auditors submitted their rejoinders concerning the appeal against the disciplinary complaint concerning the 2012 audit towards the end of January 2022. The CBB has since determined hearing dates for the oral hearing of the appeal against the disciplinary complaint concerning the audit of 30 June 2012 and the audit for all of 2012, being 29 November, 2 December and 12 December 2022.

The Bankruptcy trustees and their external experts are conducting an investigation for the purpose of drawing up a disciplinary complaint regarding the 2013 and 2014 audits on the basis of the decision concerning the 2012 audit. *The Bankruptcy trustees intend to submit this disciplinary complaint before the summer holiday.* The Bankruptcy trustees together with external parties are also conducting an investigation into the possibility or impossibility of conducting civil proceedings against KPMG.

Re 4. Civil proceedings against De Brauw Blackstone Westbroek N.V.

The pleadings before the Rotterdam District Court in the civil proceedings against DBBW took place on 4 February 2022. The decision has been scheduled for 13 April 2022.

Participating interests

Royal Imtech N.V. is also (sole) shareholder in a great many other (inactive) companies. During the past period the Bankruptcy trustees have started taking stock of all the participating interests and will attempt to liquidate these participating interests or nominate them for bankruptcy in the coming reporting period.

Third report

As regards the sales of Nordic Group, Marine Group, T&I Group, the division UK/Ireland, Imtech Spain, Imtech Benelux, Imtech Belgium Holding N.V., Imtech Toegangstechniek B.V., Imtech Industry International B.V. and Ventilex B.V., Imtech Building Services B.V., Imtech Industrial Services B.V., Paul Wagner & Fils S.A. and Imtech Polska reference is made to the first and second public reports concerning the bankruptcy of Royal Imtech N.V. Furthermore, for the separate reports in the bankruptcies of Imtech Nederland B.V., Imtech Benelux Group B.V., Imtech Industrial Services B.V. and Imtech Building Services B.V., see the separate reports in the particular bankruptcies; the reports from these can be found, among other places, at www.faillissementimtech.nl. Imtech Spain

Sixth report

At the time of the sale, the proceeds from the sale of the Spanish division of EUR 6,000,000 were deposited in an escrow account because both the Security Agent (due to a right of pledge created in respect of the shares in the period of undisclosed administration) and the assets of Royal Imtech claim the proceeds. The Security Agent removed the pledge upon the delivery of the shares by the Bankruptcy trustees subject to the condition that if the Bankruptcy trustees had not initiated proceedings against the Security Agent by 11 March 2017 at the latest, the amount in escrow would be released to the Security Agent following deduction of the transaction costs. The proceeds were transferred to the Security Agent following the aforementioned term at the Security Agent's express request because the Bankruptcy trustees have not (yet) been able to initiate proceedings as a result of the ongoing investigations into the causes and have not yet been able to start on 2015 and the Security Agent has contested the extrajudicial annulment of the pledge by the Bankruptcy trustees. The transaction costs of the liquidation assets of EUR 254,459.74 were transferred into the liquidation account prior to the above. Incidentally, failing to initiate proceedings against the Security Agent within the aforementioned term does not mean, according to the escrow agreement, that the Bankruptcy trustees forfeited any rights.

Imtech Netherlands B.V.

This company had ceased to be active even before the date on which Royal Imtech went bankrupt. It has intercompany receivables of approximately EUR 30 million (which were pledged as of 7 August 2015). The extent to which these receivables can be collected has been investigated; most of them cannot be collected because of the bankruptcies of the debtors. It appears that a few receivables of EUR 10 million, EUR 243K and EUR 1.433 million respectively can indeed be collected to some extent. This will be further investigated in the upcoming reporting period.

Sixth report

The Bankruptcy trustees are investigating whether collection of the receivables on the balance sheet of Imtech Netherlands B.V. is possible or, as the case may be, feasible.

This included tax losses in which connection the assets became entitled to 25% of the tax benefit obtained as a result for the years 2015 up to and including 2019. This resulted for 2015 in an entitlement to a subsequent payment of EUR 94,310 , which amount was claimed by the assets during this reporting period. Payment has not yet been received.

Twenty-first report

The Bankruptcy trustees concluded a payment arrangement with Techim B.V. concerning the payment of an amount of EUR 94,310 to the assets of Royal Imtech for the year 2015. By now, Techim B.V. has paid the entire amount.

Twenty-third report

For the year 2019, this arrangement resulted in a right to a subsequent payment of EUR 29,977. This amount was received during the Techim B.V. reporting period.

Imtech Marine - division

Sixteenth report

In August 2015, the Bankruptcy trustees sold the Marine division to Waterval B.V., which is a company in which the Lenders had united, which sold the shares on to Pon Holdings B.V. and Parcom Capital Management B.V. The abovementioned regulation concerning the passing on of tax losses and the possible subsequent payment to the assets in that connection. The Bankruptcy trustees requested Waterval B.V. to

provide the figures for 2015 up to and including 2018 within the context of a possible subsequent purchase price to be received.

Seventeenth report

In October 2015, Waterval B.V. sold the Marine division to RH Marine Bidco B.V., which was formed at the time by Pon Holdings B.V. and Parcom Capital Management B.V. ROM ANLAGENBAU SRL i.L.

Completed, see previous reports.

Kiekens B.V.

Based on the most recent financial documents (as of June 2015), the company has EUR 1,800 in liquid assets. The Kiekens bank account was closed by the bank on 3 September 2015, however, at Imtech's request; any balance will have been set off with or credited to an account of another Imtech company. The Bankruptcy trustees do not expect any proceeds; the company will presumably be dissolved via (turbo) liquidation.

Seventeenth report

Bankruptcy trustees to exercise its power on the basis of Article 2:19a of the Dutch Civil Code against Kiekens B.V. A term cannot be provided for the time being.

After the period for taking an appeal to the Supreme Court has expired, the Bankruptcy trustees intend to proceed with the liquidation of this company. As far as the Bankruptcy trustees are aware, it does not have any business operations.

Fifth report

On 28 April 2016, judgement was declared in the proceedings to which Imtech Telecom is a party. The other party in these proceedings has indicated it will bring an appeal against the ruling of the court. Therefore the winding-up of this company shall only take place after the appeal has been settled.

This company is currently in liquidation; further investigation will be conducted into this.

Twentieth report

It has since become clear that Imtech SEA Limited was cancelled/dissolved on 15 March 2019 by the Registrar of Companies or as the case may be the Hong Kong

authorities. The assets of Imtech SEA Limited have been seized by the authorities. The company will first have to be restored before the assets can be received back. A company that has been dissolved as a result of cancellation by the Registrar of Companies may request restoration by means of a court order or administrative restoration. The Bankruptcy trustees are in contact with a foreign lawyer to set this in motion.

Twenty-first report

Imtech Holding GmbH

The Bankruptcy trustees have asked the German Bankruptcy trustee for more information.

Claim against the assets of Imtech UK Group B.V.

Twentieth report:

Earlier this year, the Royal Imtech Bankruptcy trustees submitted an unsecured claim to be paid from the liquidation assets within the context of the bankruptcy of Imtech UK Group B.V. in connection with the unlawful sale of the shares in Imtech Suir

Engineering Limited after the bankruptcy date. Imtech UK Group B.V. acquired these shares in 2014 following a transfer of assets, activities and employees to a newly formed subsidiary without making any payment in this regard to Royal Imtech, while it follows from an expert investigation carried out on the instructions of the Bankruptcy trustees that the bankruptcy of the Royal Imtech group was already reasonably foreseeable at the time, which means that the joint creditors of Royal Imtech were prejudiced. The Bankruptcy trustees of Imtech UK Group B.V. acted unlawfully after the bankruptcy date by selling these shares to a third party, even if they were not yet aware at the time of the manner in which the shares were acquired previously. After a notice of liability had been received from the assets of Royal Imtech and following two opinions from external experts and after consultation with the Delegated Judge in the bankruptcy of Imtech UK Group B.V., not being a Delegated Judge in the bankruptcy of Royal Imtech, the Bankruptcy trustees of Imtech UK Group B.V. (in person, the same people as the Bankruptcy trustees of Royal Imtech) decided during this reporting period to pay an amount of EUR 14,037,169 to the assets of Royal Imtech as unsecured estate debt.

Twenty-first report

In the meantime, the Security Agent's lawyer wrote to the Bankruptcy trustees of Royal Imtech and the Delegated Judges on two occasions concerning the alleged improper conduct of the Bankruptcy trustees of Royal Imtech N.V. in this connection, while these assets actually increased by more than EUR 14 million in size. A q.q. and pro se notice of liability is promised twice. The Bankruptcy trustees refuted the content of the letters in a substantiated manner.

Twenty-second report

During the past reporting period, the Security Agent's lawyer wrote to the Royal Imtech N.V. Bankruptcy trustees and the Delegated Judge three times concerning the alleged incorrect actions on the part of the Bankruptcy trustees. The Bankruptcy trustees responded in writing for the third time.

7.3. Unqualified Audit Opinion:

Disciplinary complaint concerning the 2011 audit

Twenty-fourth report

Refer to the 23rd liquidation report for previous developments.

The KPMG auditors lodged an appeal against the decision of the Accountancy Division regarding the 2011 audit. The Bankruptcy trustees did so as well. The hearing before the CBB against the auditors was held on 30 November 2021. The hearing before the CBB against the OKB auditor was held on 2 December 2021. A decision in both cases was scheduled for 8 August 2022.

The Bankruptcy trustees and their external experts are conducting an investigation for the purpose of drawing up a disciplinary complaint regarding the 2013 and 2014 audits on the basis of the decision concerning the 2012 audit.

The Bankruptcy trustees together with external parties are also conducting an investigation into the possibility or impossibility of conducting civil proceedings against KPMG.

Disciplinary complaint concerning the 2012 audit

Twenty-third report

The parties were required to respond to the grounds for appeal concerning the disciplinary complaint about the audit regarding half of 2012 and the disciplinary complaint concerning the 2012 audit on 14 July 2021. The written litigation of the appeal concerning the disciplinary complaint concerning the audit as at 30 June 2012 has now ended, and the Bankruptcy trustees have requested the CBB to determine a hearing date for this purpose. The CBB has not yet determined a date for the hearing. On 29 September 2021, the Bankruptcy trustees responded to the grounds for appeal submitted by KPMG and KPMG responded to the grounds for appeal submitted by the Bankruptcy trustees concerning the disciplinary complaint regarding the 2012 Audit. The CBB has now given the parties until the end of January 2022 to submit the

rejoinder to each other's reply. This term is longer than is customary in connection with the hearings before the CBB on 30 November and 2 December 2021 concerning the appeal against the disciplinary complaint relating to 2011.

Twenty-fourth report

Refer to the 23rd report for a substantive description of the disciplinary complaint proceedings.

The Bankruptcy trustees and the KPMG auditors are required to submit their rejoinders concerning the appeal against the disciplinary complaint concerning the 2012 audit towards the end of January 2022. KPMG has since requested an extension. Thereafter, the CBB will determine the hearing dates for the oral hearing of the appeal against the disciplinary complaint concerning the audit of 30 June 2012 and the audit for all of 2012.

Twenty-fifth report

7.4. Payment obligation in respect of shares

Under investigation. The most recent (rights) issue took place in October 2014.

7.5. Mismanagement

Under investigation.

Twenty-third report

The draft summons directed against the directors and supervisory directors who were active until the middle of 2013 is almost ready. It will be presented to external lawyers for assessment after it has been completed. At that time, the Bankruptcy trustees will commence formulation of a draft summons against the final directors and supervisory directors.

Twenty-fourth report

Unchanged.

Twenty-fifth report

The Bankruptcy trustees continued the investigation into the causes and the regularity audits, including the investigation into directors' and officers' liability investigation and the investigation into the provision of security as referred to in paragraph 5.3. Work was carried out on a summons against the directors and supervisory directors who were active until the spring of 2013. External parties are also involved in this process. The investigation with respect to the summons with respect to acts fraudulent towards creditors will first be completed before - with the aid of these findings - the investigation against the final RvB and RvC is completed.

7.6. Fraudulent conduct in respect of creditors

Under investigation.

Twenty-second report

The investigation into the provision of security that might be fraudulent towards creditors and repayments to financiers of Royal Imtech continues. The Bankruptcy trustees engaged external experts in the investigation of information that was provided to financiers and into the matters that were or should have been known to

the financiers at relevant decision-making and other moments. This draft report was completed in the summer of 2020 and presented to the directors and supervisory directors of Royal Imtech. After the responses from the directors and supervisory directors had been received, the draft report was presented to the financiers most closely involved for their comments on 18 December 2020. The lawyer of the Security Agent and the financiers recently informed the Bankruptcy trustees that the financiers do not wish to respond at this stage to the draft report of the experts engaged by the Bankruptcy trustees. The Bankruptcy trustees are continuing the investigation and working on the summons against the financiers together with external parties.

Twenty-fourth report

The investigation into the provision of security that might be fraudulent towards creditors and repayments to financiers of Royal Imtech continues. The Bankruptcy trustees engaged external experts in the investigation of information that was provided to financiers and into the matters that were or should have been known to the financiers at relevant decision-making and other moments. Over the past months, the Bankruptcy trustees conducted consultations with representatives of Dutch banks concerning a possible amicable settlement. These consultations were also set out in the media through no fault of the Bankruptcy trustees. However, the matters set out about the settlement proposal and the position of the Bankruptcy trustees in this connection are factually incorrect. The Bankruptcy trustees will not go into further detail about this in the interest of the case.

Twenty-fifth report

The investigation into the provision of security that might be fraudulent towards creditors and repayments to financiers of Royal Imtech continues. The Bankruptcy trustees engaged external experts in the investigation of information that was provided to financiers and into the matters that were or should have been known to the financiers at relevant decision-making and other moments. The Financiers rejected the present settlement proposal on the part of the Bankruptcy trustees in January 2022. A counterproposal from the Financiers was rejected by the Bankruptcy trustees. The parties decided to resume the settlement consultations.

Vinci (NAI proceedings)

Completed. See the 23rd report.

Bruscom

Eleventh report

See the 10th liquidation report for the course of these proceedings.

The investigation into the possibility of recovering further losses from Bruscom is still ongoing.

Twenty-fifth report

The Bankruptcy trustees spoke with the Bruscom lawyer. Both parties allege that they have claims against each other.

Art collection

Twentieth report

The amicable settlement between the Lenders, the Imtech Building Services Bankruptcy trustee and the Royal Imtech Bankruptcy trustees has by now been signed by all parties. The Lenders claim a right of pledge in respect of the art collection and the proceeds kept in an escrow account after the art collection has been sold by the Bankruptcy trustees. Within the context of the settlement, the assets have since received reimbursement of expert costs incurred previously amounting to EUR 111,727.46. The Lenders wish to keep the remainder of EUR 244,734.20 in escrow and not release it to the assets following invocation of the annulment of the right of pledge for the benefit of the Lenders.

The legal proceedings were cancelled. The Bankruptcy trustees charge the lawyer's fees of EUR 15,653.87 exclusive of VAT in connection with drawing up the statement of defence and mediation to the Security Agent and Lenders who did not appear in

the proceedings by deducting this amount from the short-term preferential loan to a bankrupt estate.

Twenty-first report

Completed substantively. Passages in the previous reports have now been removed for the purpose of shortening future reports.

Disciplinary complaints against lawyers

Completed. See the 23rd report.

The total claim submitted by the tax authorities therefore amounts at this time to EUR 14,377,362.00.

During this reporting period, the Bankruptcy trustees submitted the corporation tax returns for 2014 and 2015. The Tax and Customs Administration accepted the returns and determined as loss offsettable against tax for Royal Imtech N.V. an amount of EUR 309,782,000 as at the end of 2014 and an amount of EUR 86,697,000 for 2015.

Fifteenth report

The Bankruptcy trustees requested an opinion and received a positive opinion concerning the settlement relating to the art sale with the Bankruptcy trustee of Imtech Building Services. Sixteenth report

Seventeenth report

The creditors' meeting is scheduled for 26 March 2020 and will take place this time by telephone or be postponed due to the special circumstances. During this reporting period, the creditors' committee was requested once to provide advice for bringing proceedings.

Twentieth report

The creditors' committee meeting took place digitally on 6 October 2020. On 11 December 2020, the Bankruptcy trustees requested the advice of the creditors' committee concerning the lodging of an appeal in the disciplinary complaints procedure against 4 lawyers. The creditors' committee issued a positive opinion.

Twenty-first report

Another digital creditors' committee meeting took place on 23 February 2021. The creditors' committee issued a positive opinion concerning the filing of an appeal against various KPMG auditors regarding the disciplinary complaint for half of 2012 and for all of 2012.

Twenty-third report

During this reporting period, the Bankruptcy trustees conducted a digital meeting with the members of the creditors' committee on 6 October 2021.

Twenty-fourth report

During this reporting period, the Bankruptcy trustees conducted consultations with and obtained advice from the creditors' committee concerning a possible amicable settlement, which was ultimately not concluded.

Twenty-fifth report

The Bankruptcy trustees consulted with the creditors' committee. The creditors' committee is searching for a new member. Information may be obtained from the Rotterdam District Court insolvency registry via insolventies1@rechtspraak.nl.

Claims from former shareholders

The Bankruptcy trustees point out to the shareholders who were shareholders of Imtech before 2013 that they may perhaps still be able to submit a claim to Stichting Schikkingsfonds Imtech because Fund 3 has not yet been paid. It is possible that Stichting Schikkingsfonds Imtech will take the position that claims from shareholders who were shareholders on 4 February 2013 will prescribe on 1 July 2018 in view of the publication of the Report to Shareholders on 18 June 2013 by Royal Imtech. This means that (former) shareholders of Royal Imtech N.V. may have an interest in submitting their claim to Stichting Schikkingsfonds Imtech as yet. Stichting Schikkingsfonds Imtech is not affiliated with the liquidation assets. The liquidation assets do have an interest in shareholders who claim compensation doing so as much as possible from Stichting Schikkingsfonds Imtech as this reduces Royal Imtech's debt burden to the extent shareholders have received or will receive payment from Stichting Schikkingsfonds. The Bankruptcy trustees (hereby) do not

make any statement concerning the legal validity of any claims from shareholders nor about the question whether Stichting Schikkingsfonds Imtech is obliged to handle new claims from (former) shareholders of Royal Imtech N.V. Claims from (former) shareholders against Royal Imtech N.V. do not prescribe during the term of the bankruptcy and may be submitted for verification via www.crediteurenlijst.nl (under Royal Imtech N.V.).

Fourteenth report

The Bankruptcy trustees have learned via the media that the lawyers of Stichting Imtech Claim have summoned the banks and the (former) directors and supervisory directors in connection with improper conduct. The Bankruptcy trustees are not involved in these proceedings. In theory, these claims compete with possible claims on the part of the Bankruptcy trustees against these parties because recovery will have to be sought against the same assets or rights under insurance policies. The Bankruptcy trustees furthermore consider it objectionable that this Foundation keeps 25% of the damages for the shareholders to be received and does not distribute this to the shareholders.

Twenty-fourth report

The Bankruptcy trustees consulted with the VEB concerning the course of events and prospects for injured shareholders.

Thirteenth report

Approximately 20 USPP Noteholders submitted their individual claims jointly in March 2019. They still claim the rights of pledge that were declared void extrajudicially by the Bankruptcy trustees. It does not make an essential difference as regards the outstanding debts, because these claims were already estimated in the previous statement.

Sixteenth report

The Bankruptcy trustees will no longer publish an Interim Financial Report. The Bankruptcy trustees are of the opinion that the interest of the creditors demands that at this stage of the proceedings no exact insight is provided into the assets' financial position, because it has become clear to the Bankruptcy trustees that large parties against which the assets considers it has claims are attempting to obtain this insight for the purpose of determining their procedural and other strategy towards the assets.

Twentieth report

Although the Bankruptcy trustees no longer published a public, interim financial report as from the 16th report because mainly the debtors of the assets appeared to be coordinating their conduct towards steering towards a reduced size of the assets by means of their repeated requests, delaying the answering of questions and conducting extensive defences in court and by lodging an appeal, which meant that the interests of the creditors would be served better by not publishing the financial developments in a comprehensive manner every quarter, the interim financial report

was nevertheless uploaded with the 19th report by accident and became available digitally. FD wrote immediately: "The Imtech Bankruptcy trustees investigation in danger of breaking down due to a lack of funds". The Bankruptcy trustees note that this message, as well as previous messages in the media, is not correct. Incidentally, the Bankruptcy trustees will not refute all incorrect media coverage in their reporting or otherwise.

This immediate media attention and the anonymous sources presented in this connection did indicate why full publication of an interim financial report is not in the interest of the assets and its joint creditors.

It was decided in consultation with the Delegated Judge that the policy for the coming period is that the financial developments of the assets will be reported in outline in the report itself. This statement looks as follows:

Twenty-fifth report

The Security Agent provided a statement of the outstanding bank guarantees as of the end of 2021 as well as the amounts that have since been paid out. This means that the overall shortfall of assets has now dropped by approximately EUR 340 million when compared to previous reports.

Status as from the 25th report:

<i>Liquidation asset:</i>	<i>EUR 47,882,454</i>
<i>Salary Bankruptcy trustee firms</i>	<i>EUR 18,831,010</i>
<i>The costs of external experts/lawyers</i>	<i>EUR 13,401,465</i>
<i>Other liquidation costs</i>	<i>EUR 1,394,516</i>

All amounts stated are inclusive of VAT.

Balance of the liquidation account 31 March 2022 *EUR 13,117,148.44.*

As reported previously in this public report, the Bankruptcy trustees will not refute all incorrect media coverage in their report or otherwise. The Bankruptcy trustees do note in this connection that the reports in the media that the Bankruptcy trustees and their firms have since received approximately EUR 30 million in fees are incorrect. At this time, it concerns an amount of approximately EUR 18.8 million including 21%

VAT over a period of more than 6 years. The assets have already received back most of the VAT that was paid. The District Court sets the remuneration of the Bankruptcy trustees following advice in this connection provided by the Delegated Judges.

9.4. Determination of the Bankruptcy trustee salaries and audit of the liquidation account

Twelfth report

In view of the scope and complexity of this bankruptcy, the District Court determines each month the provisional remuneration of the Bankruptcy trustees and their

colleagues on the basis of a remuneration request submitted, specified and substantiated by the Bankruptcy trustees. This monthly advance amounts each time to approximately 90% of the remuneration requested.
